Significant misalignment between your brand and AI representations. Action needed.

Your Homepage

The screenshot shows the Dimer Health website homepage. At the top, there's a dark header bar with the Dimer Health logo, a phone number (866) 24-DIMER, and a 'Call' button. Below the header, the main content area has a light purple background. On the left, there's a section titled 'Your Medical Team for Post-Hospital Care' with a subtext about 24/7 support for recovery. In the center, there's a large image of a person holding a smartphone displaying a video call with a doctor. A purple button labeled 'See how Dimer Health works' is overlaid on the image. Below the image, there's a 'Book an appointment' button. At the bottom of the page, there's a footer section with logos for various healthcare partners like RWJBarnabas Health, St. Peter's Health, and Garden State Oncology.

How You Describe Yourself

Headline	"Your Medical Team for Post-Hospital Care"
Value Prop	"Your Medical Team for Post-Hospital Care"
Description	"We believe that the transition from hospital to home should be seamless, efficient, and supportive. By leveraging our combined expertise, we're developing a first-of-its-kind platform that provides patients with exceptional post-discharge care, re..."
Audience	"Virtual transitional care allows patients to receive continuous medical support after hospital discharge, helping them recover safely and smoothly at home."

How AI Platforms Describe You

ChatGPT

Dimer Health is a company specializing in innovative healthcare solutions, focusing on delivering advanced tools and technologies to improve hygiene and mitigate the spread of infectious diseases in various environments. Serving healthcare providers, educational institutions, and the commercial sector, Dimer Health is distinguished by its commitment to cutting-edge ultraviolet (UV) disinfection....

Key Gaps Identified

Gap: Key differentiators not captured

Fix: Create a dedicated 'Why Us' or comparison page highlighting unique capabilities

Outcome: AI will distinguish you from competitors when users evaluate options

Gap: Target audience not mentioned

Fix: Create an explicit 'Who We Serve' section listing specific industries and company profiles

Outcome: AI will correctly identify and recommend you to your ideal customer segments

Gap: Core offering not well captured

Fix: Add clear, AI-extractable value proposition statements to your homepage hero section

Outcome: AI platforms will accurately describe what you do in response to user queries

Gap: Key products/features not mentioned

Fix: Implement FAQ schema markup and dedicated product pages with detailed descriptions

Outcome: AI will surface your specific capabilities when users search for solutions

Next Steps

1. Strengthen homepage messaging with clear, AI-extractable value proposition statements
2. Add explicit 'Who We Serve' section with specific industries and company profiles
3. Create dedicated 'Why Us' or comparison pages highlighting unique capabilities
4. Implement FAQ schema markup with detailed product/service descriptions
5. Improve Core Web Vitals — AI crawlers favor fast-loading pages
6. Add llms.txt file to guide AI crawlers to priority content
